# WHAT IS IEEE YESIST12?

**Youth Endeavours For Social Innovation Using Sustainable Technology**

**IEEE YESIST12 is an international talent hunt with the main objective of UN Sustainable Development Goals**

**It aims to unify social responsibility and ethics in young minds through activities and to encourage service-oriented engineering practice, YESIST 12 has started. It is a platform for the students and young professionals to showcase their fresh pristine ideas to find the key to humanitarian and social issues affecting directly the community around them.**

**Benefits being a part of IEEE YESIST12 :**

- **Contribute to innovation**
- **Professional connect**
- **Global Exposure**
- **Team Building**
- **Refine your ideas**
- **Gain Experience**
